Introduction

The following table includes all attributes and metrics (numerators, denominators and indicators) that are available for report creation in CIHI Portal's Canadian MIS Database (CMDB) project. This document can be used for report planning and also to gain a further understanding of each object and its underlying data.

Each folder lists the attributes and metrics in alphabetical order. Please note that the order may not be identical within the tool.

Table   CMDB attributes and metrics

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Attributes/ Fiscal Year	Fiscal Period	The period represented by the data submission (year, quarter or month).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Fiscal Year	Fiscal Year	The fiscal year of the transaction. For example, fiscal year 2020 represents the period from April 1, 2020, to March 31, 2021.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Beds Staffed and In Operation	Groups the organization according to beds staffed threshold (0 to 20, 21 to 50, 51 to 100, 101 to 200, 201+)	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	City	City in which the organization is located.	n/a	n/a	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Attributes/ Organization	Direct Operating Expenses Net of Recoveries	Groups the organization based on its total direct operating expenses net of recoveries (0 to 1,000,000; 1,000,001 to 5,000,000; 5,000,001 to 15,000,000; 15,000,001 to 50,000,000; 50,000,001+).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Inpatient Days	Groups the organization based on its number of reported inpatient days (0 to 2,500; 2,501 to 5,000; 5,001 to 20,000; 20,001 to 50,000; 50,001+).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Organization	The organization's name.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Organization Type	Groups the organization as general, special pediatric, psychiatric, other specialty, rehabilitation, extended care, cancer treatment or not applicable.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Province	Province in which the organization is located.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Regional Organization	Description of the region where the organization is located.	n/a	n/a	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Attributes/ Organization	Resident Days	Groups the organization based on its number of reported resident days (0 to 5,000; 5,001 to 10,000; 10,001 to 25,000; 25,001 to 50,000; 50,001+).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Teaching Status	Groups hospitals as teaching hospital or non-teaching hospital.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Organization	Total Face to Face Visits	Groups the organization based on its total number of face-to-face visits (0 to 2,000; 2,001 to 7,500; 7,501 to 20,000; 20,001 to 50,000; 50,001+).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Primary Account	National Primary Account (Minimum Reporting)	The minimum reporting requirement of the national MIS primary account with trailing zeros (9 digits long).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Primary Account	National Primary Account Level 1	The first digit of the national MIS primary account.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Primary Account	National Primary Account Level 2	The first 3 digits of the national MIS primary account.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Primary Account	National Primary Account Level 3	The first 5 digits of the national MIS primary account, for those accounts that meet the minimum national reporting requirement.	n/a	n/a	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Attributes/ Primary Account	National Primary Account Level 4	The first 7 digits of the national MIS primary account, for those accounts that meet the minimum national reporting requirement.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Primary Account	National Primary Account Level 5	The first 9 digits of the national MIS primary account, for those accounts that meet the minimum national reporting requirement.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Secondary Account	Account Type	The type of secondary account (F: financial; S: statistical).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Secondary Account	National Secondary Account (Minimum Reporting)	The minimum reporting requirement of the national MIS secondary account with trailing zeros (7 digits long).	n/a	n/a	n/a
MIS Analysis/ Attributes/ Secondary Account	National Secondary Account Level 1	The first digit of the national MIS secondary account.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Secondary Account	National Secondary Account Level 2	The first 3 digits of the national MIS secondary account, for those accounts that meet the minimum national reporting requirements.	n/a	n/a	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Attributes/ Secondary Account	National Secondary Account Level 3	The first 5 digits of the national MIS secondary account.	n/a	n/a	n/a
MIS Analysis/ Attributes/ Sector Code	Sector Code	Indicates the health sector that the transaction belongs to.	n/a	n/a	n/a
MIS Analysis/ Metrics/Financial	Amb Care Serv Dir Exp to Dir Oper Exp Net Recov	The Ambulatory Care Expense indicator represents the percentage of the organization's total expenses (net of recoveries) reported in ambulatory care functional centres.	Functional centre 713* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	n/a
MIS Analysis/ Metrics/Financial	Amb Care Serv Dir Exp to Dir Oper Exp Net Recov (D)	The Ambulatory Care Expense denominator represents the total expenses (net of recoveries) reported in all operational and accounting functional centres; it is used with the Ambulatory Care Expense numerator.	n/a	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	n/a
MIS Analysis/ Metrics/Financial	Amb Care Serv Dir Exp to Dir Oper Exp Net Recov (N)	The Ambulatory Care Expense numerator represents the total expenses (net of recoveries) reported in all ambulatory care functional centres; it is used with the Ambulatory Care Expense denominator.	Functional centre 713* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	n/a	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Metrics/Financial	Buildg and Grd Exp to Dir Oper Expense	The Buildings and Grounds Expense indicator represents the percentage of the organization's total expenses reported as buildings and grounds expenses.	Functional centres 7*, 8* **and** secondary financial account 9*	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	n/a
MIS Analysis/ Metrics/Financial	Buildg and Grd Exp to Dir Oper Expense (D)	The Buildings and Grounds Expense denominator represents the total expenses reported in all operational and accounting functional centres; it is used with the Buildings and Grounds Expense numerator.	n/a	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	n/a
MIS Analysis/ Metrics/Financial	Buildg and Grd Exp to Dir Oper Expense (N)	The Buildings and Grounds Expense numerator represents the total reported expenses for buildings and grounds; it is used with the Buildings and Grounds Expense denominator.	Functional centres 7*, 8* **and** secondary financial account 9*	n/a	n/a
MIS Analysis/ Metrics/Financial	Comm Health Serv Dir Exp to Dir Oper Exp Net Recov	The Community Health Services Expense indicator represents the percentage of the organization's total expenses (net of recoveries) reported in community health services functional centres.	Functional centre 715* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Metrics/Financial	Comm Health Serv Dir Exp to Dir Oper Exp Net Recov (D)	The Community Health Services Expense denominator represents the total expenses (net of recoveries) reported in all operational and accounting functional centres; it is used with the Community Health Services Expense numerator.	n/a	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	n/a
MIS Analysis/ Metrics/Financial	Comm Health Serv Dir Exp to Dir Oper Exp Net Recov (N)	The Community Health Services Expense numerator represents the total expenses (net of recoveries) reported in all community health services functional centres; it is used with the Community Health Services Expense denominator.	Functional centre 715* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	n/a	n/a
MIS Analysis/ Metrics/Financial	Contracted-Out Services to Direct Operating Expense	The Contracted-Out Services to Direct Operating Expense indicator represents the percentage of the organization's total expenses spent on contracted-out services.	Functional centres 7*, 8* **and** secondary financial account 8*	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Metrics/Financial	Contracted-Out Services to Direct Operating Expense (D)	The Contracted-Out Services to Direct Operating Expense denominator is the organization's total expenses reported in all operational/accounting functional centres; it is used with the Contracted-Out Services to Direct Operating Expense numerator.	n/a	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	n/a
MIS Analysis/ Metrics/Financial	Contracted-Out Services to Direct Operating Expense (N)	The Contracted-Out Services to Direct Operating Expense numerator is the organization's total contracted-out services expense reported in all operational/accounting functional centres; it is used with the Contracted-Out Services to Direct Operating Expense denominator.	Functional centres 7*, 8* **and** secondary financial account 8*	n/a	n/a
MIS Analysis/ Metrics/Financial	Diag Ther Serv Dir Exp to Dir Oper Exp Net Recov	The Diagnostic and Therapeutic Services Expense indicator represents the percentage of the organization's total expenses (net of recoveries) reported in diagnostic and therapeutic functional centres.	Functional centre 714* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	Changed name and/or description

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Metrics/Financial	Diag Ther Serv Dir Exp to Dir Oper Exp Net Recov (D)	The Diagnostic and Therapeutic Services Expense denominator represents the total expenses spent (net of recoveries) in all operational and accounting functional centres; it is used with the Diagnostic and Therapeutic Expense numerator.	n/a	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128*	Changed name and/or description
MIS Analysis/ Metrics/Financial	Diag Ther Serv Dir Exp to Dir Oper Exp Net Recov (N)	The Diagnostic and Therapeutic Services Expense numerator represents the total expenses (net of recoveries) reported in all diagnostic and therapeutic functional centres; it is used with the Diagnostic and Therapeutic Expense denominator.	Functional centre 714* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*, 12*, **excluding** 128	n/a	Changed name and/or description
MIS Analysis/ Metrics/Financial	Direct Cost per In-House Procedure	The Direct Cost per In-House Procedure indicator represents the ratio of the organization's total expenses to procedures reported in selected diagnostic and therapeutic functional centres.	Functional centres 71420*, 71437*, 71465* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	Functional centres 71420*, 71437*, 71465* **and** secondary statistical accounts 459*, 470*	n/a

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Metrics/Financial	Direct Cost per In-House Procedure (D)	The Direct Cost per In-House Procedure denominator represents the organization's procedures reported in selected diagnostic and therapeutic functional centres; it is used with the Direct Cost per In-House Procedure numerator.	n/a	Functional centres 71420*, 71437*, 71465* **and** secondary statistical accounts 459*, 470*	n/a
MIS Analysis/ Metrics/Financial	Direct Cost per In-House Procedure (N)	The Direct Cost per In-House Procedure numerator represents the organization's total expenses reported in selected diagnostic and therapeutic functional centres; it is used with the Direct Cost per In-House Procedure denominator.	Functional centres 71420*, 71437*, 71465* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	n/a	n/a
MIS Analysis/ Metrics/Financial	Direct Cost per Surg Visit	The Direct Cost per Surgical Visit indicator represents the ratio of the organization's total expenses to surgical visits reported in inpatient surgical (71260* only) and day surgery (71360* only) functional centres.	Functional centres 71260*, 71360 **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	Functional centres 71260*, 71360 **and** secondary statistical account 437*	Changed name and/or description

Object folder path	Object name	Description	Numerator	Denominator	Notes
MIS Analysis/ Metrics/Financial	Direct Cost per Surg Visit (D)	The Direct Cost per Surgical Visit denominator represents the organization's surgical visits reported in inpatient surgical (71260* only) and day surgery (71360* only) functional centres; it is used with the Direct Cost per Surgical Visit numerator.	n/a	Functional centres 71260*, 71360 **and** secondary statistical account 437*	Changed name and/or description
MIS Analysis/ Metrics/Financial	Direct Cost per Surg Visit (N)	The Direct Cost per Surgical Visit numerator represents the organization's total expenses reported in inpatient surgical (71260* only) and day surgery (71360* only) functional centres; it is used with the Direct Cost per Surgical Visit denominator.	Functional centres 71260*, 71360 **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	n/a	Changed name and/or description
MIS Analysis/ Metrics/Financial	Direct Operating Expense	The Direct Operating Expense indicator represents the organization's total expenses for all operational and accounting functional centres.	Functional centres 7*, 8* **and** secondary financial accounts 3*, 4*, 5*, 6*, 7*, 8*, 9*	n/a	n/a
